

IT (INFORMATION TECHNOLOGY)

BENEFITS

New-Gen Technology for All IT Hardware and Software solutions

- ▶ Increasing productivity.
- ▶ Reducing capital expense.
- ▶ Improving data security.

Rack and Cooling System

- ▶ It can afford high power density.
- ▶ No technical expertise is required to use.
- ▶ It provides accurate failure analysis.

Connectivity Solutions

- ▶ Efficient costs saving.
- ▶ Streamlined organization.
- ▶ Enhanced communication.

PRODUCT INFORMATION

IT Hardware & Solutions

- ▶ SITC of IT Hardware (Desktop, Laptop, Server, Switches).
- ▶ Software and Handholding/Facility Management Contract.
- ▶ Annual Maintenance Contracts.

Connectivity Solutions

- ▶ Structured Networking & Cabling Solution.
- ▶ Wireless Solutions.

Rack & Cooling System

- ▶ All types of IT Racks Automation.
- ▶ Sensors for IT Rack.
- ▶ Precision Cooling for Rack and Data Centres
- ▶ Critical Cooling Control Areas

Application

Where can it be implemented?

With advanced technology, IT solutions are necessary for all enterprises, such as

- ▶ Manufacturing
- ▶ Banking and Finance
- ▶ Medical
- ▶ Government
- ▶ Public Sector Units

AMC

We bring you Annual Maintenance Contracts for maintaining all IT solutions at a reasonably low cost.
